

NORTH BOONE BUSINESS EXCHANGE

“NBBE”

Dear Business Owner:

North Boone Business Exchange has been in existence since 2009. We are a networking group located in Northern Boone County.

MISSION STATEMENT:

Our mission is to help build and grow businesses through an extensive network of business owners and partnerships that serve the communities that make up Northern Boone County.

I would like to invite you to join our group. We meet the 2nd Wednesday every month, starting at 6:30pm. The location does change every month to provide local businesses in Northern Boone County a chance to be in the “spotlight”.

Here are the benefits:

Your business will be listed in our color brochure. These brochures are handed out to the local businesses to be distributed to patrons.

Your business will be added to the website with a link to your website (if you have one). Our new website is www.NBBE.org

Monthly meetings are held to network with local businesses. Here is a chance to “bond” with other businesses, learn about their business so when someone is looking for a referral or a contact, you will be confident in providing them with a name from our group.

We do support and promote other local businesses in their activities and fundraisers.

There are guest speakers on different topics. One example we had was an internet guru speak on social networking/media, ie: Facebook, Twitter, RSS feeds, My Space, etc.

All this and more for only \$20.00 a year.....

If you are interested, please fill out the enclosed NBBE Business Application and return to me along with your check for \$20.00 made payable to NBBE. Please include a business card for the brochure. If you have any questions, please give me a call at 815-977-1054. Please respond asap to be included in the brochure.

Sincerely,

Karen Pearson, President of NBBE
